EXTERIOR

Mala has a lot of outdoor areas:

Several day beds on the bow: a perfect place to enjoy the ride while sailing. Here you will hear nothing but the light breeze and the water flows just two feet underneath while the sun caresses your skin.

On the hardtop: soft day beds and cushion seats, the best place to enjoy the sunset before dinner and a million stars after.

Cockpit area with a lot of seats and sunbeds to relax at leisure during and after a delicious and freshly prepared meal. Steps and ladders provide easy access in and out of the water.

Catamaran Mala is a perfect choice for a family with kids— it is the safest type of vessel so kids can freely walk around the boat.

Catamaran Mala is a great choice for couples who like to travel together but still have their own privacy— she has 3 separate independent en-suite cabins.

Catamaran Mala is the only option for people who are after a sailing custom-made holiday in Croatia.

THE HIGHLIGHT OF THE CATAMARAN MALA IS UNDOUBTEDLY ITS CREW

Zoki & Sanja

This enthusiastic duo are the heart and soul of this boat. They know how to listen! They know how to make it happen!

The crew:

this couple with years of experience on luxury catamarans are experts in creating a personalized, tailor-made vacation that will suit you perfectly. On their own yacht they make sure that every detail is thought through to meet all your needs. Capitan Zoki's calm ways, expertise and knowledge of the area and Sanja's warm and outgoing personality are a perfect match for a week of relaxation, fun and enjoyment.

Life as it should be!

Captain Zoki is friendly, experienced and safety competent, everything you need from your captain. He's an outstanding sailor sailing on the Adriatic since the age of ten which means he knows the area intimately. He can take you to amazing places which are not in travel guides — his secret gems — from where you will never want to leave.

Hostess Sanja is an easy-going, sociable and open-minded person. Passionate about travel, she speaks fluent Spanish and English. Guests describe Sanja as a "warm, funny, caring person", and "a delight to spend time with". They are both foodies. While the Captain is passionate about the local wines, Sanja is in love with Mediterranean and healthy food. She will make sure that every meal is freshly prepared, balanced, varied and according to your wishes.

What an incredible experience. Zoki and Sanja have a beautiful boat, and it's evident that their hearts and souls are devoted to making it perfect for their guests. The boat is immaculate and exquisite. We felt like royalty! I am so impressed by both of them. Zoki did a great job of navigating the islands, the weather and finding perfect places to either swim, explore and of course eat! They are both wonderful and knowledgeable, and just enjoyable to be around - we now call them friends!

Deepest thanks to Sanja and Zoki for the most extra-ordinary journey through the Dalmation Islands.

It was a truly perfect experience from start to finish: Beautiful Mala with her many comforts and amenities, their knowledge of the sea and all the magical islands and bays, Sanja's flawless cooking and hospitality.... all add up to a customized, perfectly curated, dream come true excursion. Beyond all this, and perhaps most important is the perfect partnership of Sanja and Zoki... Without their warmth, generosity, professionalism and sense of humor, Mala would just be another fancy boat.

The trip was perfect, the islands and bays you made is visit were wonderful. The towns and restaurants you took us were amazing. Sanja's cooking was way beyond our expectations, the kids loved it, she pleased them at every single moment. All the little details in the boat were beautiful. And the water toys you had for entertaining the kids were too much fun! You really are a lovely couple and amazing hosts. I would highly recommend this to any family that wants to have an unforgettable vacation.
